

Appendix 2

Participant Consent Form

PROJECT TITLE: WHAT ARE MY NATIVE BEES DOING?

Chief Investigator: Dr Gurion Ang, School of the Environment, The University of Queensland
Ph: (07) 3365 2138. Email: gurion.ang@uq.edu.au

Co Investigator: Dr Tobias Smith, School of the Environment, The University of Queensland
Ph: (07) 3365 2138. Email: t.smith5@uq.edu.au

Part 1 – to be selected by the registrant

I am a: (please indicate clearly)

___ a teacher or staff member from a school who would like to register our hive(s) on behalf of my school

___ an adult citizen scientist who would like to register my hive(s)

Part 2 – to be read and completed by the registrant

I have read and understood the information on the project website about this project and any questions I have asked were answered to my satisfaction.

I consent to participating in this project.

I understand that all data collected and reported will be anonymous and not identifiable.

I agree to participate in the project, realising I may withdraw my/our participation at any time. Once I submit any data I may request that all traces of my/our participation are deleted from the project's records. I understand that my decision whether or not to participate in this study will not prejudice my future enrolment, relations or employment with UQ.

All information that I provide will be kept strictly confidential.

I also agree to extended use of the data, such that it may be used in later projects that are related to this project.

I agree that research data provided by me during the project may be included in the researcher's published papers, reports, presented at conferences and published in journals.
